BRASSELER
USA® SURGICAL INSTRUMENTATION

BRASSELER
USA® SURGICAL INSTRUMENTATION

To Our Valued Customers,

We are aware of certain orthopedic power manufacturer sales representatives circulating a warning letter regarding the possible invalidation of the manufacturer's service plan warranty agreement due to use of non-OEM replacement products.

Brasseler U.S.A. Medical, LLC ("Brasseler") manufactures saw blades, drill bits, burs and orthopedic accessories ("Product(s)") that meet or exceed the dimensional standards, tolerances, and performance characteristics required for the proper performance of these power systems.

Brasseler's Guarantee – If, during proper use in accordance with the applicable instructions for use, a Product actually damages another manufacturers hand piece, then we will repair or replace, in our sole election, the damaged hand piece at no charge, without exception.

We have offered this Guarantee for over 20 years, and have yet to be informed of our Products damaging a Customer's OEM power system.

Please do not hesitate to call your Brasseler sales representative or our customer service department if you have any questions.

Sincerely,

Andrew Gibbons
Director of National Sales
Brasseler U.S.A Medical, LLC

Customer Service

Our team of Customer Service Specialists are helpful and knowledgeable and are available to assist in ordering, credit & billing and any other customer service inquiries. To order, please contact Customer Service at 800.535.6638 during the hours of 8:30am to 7:00pm EST (Monday-Thursday) and 8:30am to 5:00pm EST (Fridays) or email us anytime at CustomerService@BrasselerUSAMedical.com.

Orders are usually shipped within 24 hours of receipt, unless otherwise specified. Overnight delivery is available at an additional charge.

Customers interested in participating should contact our Electronic Data Interchange (EDI) coordinator via our customer service email or phone number.

Return Goods Policy:

If product needs to be returned, the following applies:

Consumable/Disposable Product:
Any unused consumable/disposable product may be returned for credit within ninety(90) days of invoice date if it qualifies for resale (unopened and unmarked package). Products may be subject to our restocking fee. Credit will not be issued for products that do not qualify for resale.

Capital Equipment:
Any unused capital equipment may be returned for credit within thirty (30) days of invoice date if it qualifies for resale (unopened and unmarked package). Products may be subject to our restocking fee. Credit will not be issued for products that do not qualify for resale.

Packaging and Shipping:
Returned items should be packaged in original packaging. Credit will not be issued for items damaged in return shipment due to packaging inadequacy.

Contact a Brasseler USA® Surgical Instrumentation Customer Service Specialist via phone or email to obtain a "Return Merchandise Authorization" (RMA) number.

Please include the following information with the returned product(s):
· Catalog number, serial number and lot number (if applicable) of device.
· Return Merchandise Authorization (RMA) number noted with the return.
· Original invoice number or copy of original invoice.
· Original invoice date.
· Customer name, address and account number.
· Itemized packing list.
· Brief statement describing reason for product return.

Return to:
Brasseler USA® Surgical Instrumentation
One Brasseler Blvd
Savannah, GA 31419

Note: It is unlawful to ship contaminated non-sterilized products.

Repair Service

Repair Service - Call: 800.841.4522

Brasseler USA® Surgical Instrumentation offers a quality repair service program for our proprietary large bone, small bone and high speed power equipment to include handpieces, attachments and accessories (excluding battery packs). We also provide repair service for Hall Surgical, ConMed Linvatec, Stryker, 3M, Microaire and other manufacturers. For all other inquiries please contact our Repair Department. You can rely on the expertise of our industry trained technicians to keep your power equipment operating at its best. Contact your Brasseler USA® Surgical Instrumentation Customer Service for complete details or call toll free 800.841.4522 for repair information.

BrasselerUSA® Surgical Instrumentation, warrants any service or repair work performed will be free from defects in material or workmanship for the period of ninety (90) days from date of service or repair. This warranty applies to the actual work performed.

Our Repair Service features:
· Rapid turnaround
· Low prices as compared to other OEM for a guaranteed savings on every repair
· Detailed service analysis report
· Free one-way shipping on repairs over $100
· Loaner equipment available
· 90 days parts and labor warranty
· Products must be decontaminated and sterilized before returning.

Note: It is unlawful to ship contaminated non-sterilized products. Products must be decontaminated and sterilized before returning.

Contact a Customer Service Representative at BrasselerUSA® Surgical Instrumentation, at 800.841.4522 to request repair or a loaner instrument. If available, loaner instruments will be supplied in accordance with the Brasseler USA® Surgical Instrumentation Loaner Program.

Please include the following information with the returned product(s):
· Indicate on the paperwork or the box the designated call ID number.
· Catalog number, serial number and lot number (if applicable) of device.
· Customer name, address and account number.
· Itemized packing list.
· Brief statement describing reason for product repair or requesting preventive maintenance.
